Central 1943

A great many graduates say "goodbye" to Central in 1943...a great many graduates who will depart for "places unknown"...some will work in war plants...a lucky few will set out for college...while the majority will be inducted into the Armed Forces.

This "jump" from the ceremony of graduation to induction is probably the most important step in the lives of these 1943 Graduates. Already many of January 1943 Graduates have started their training for warfare...Now many more plunge into this great state of confusion to defend certain rights and privileges.

On the far-flung battlefields, the boys will always remember their experiences at Central...and when they are granted a furlough...we know that they will come back to visit their Alma Mater...an Alma Mater that meant so much in the guidance of their destiny. For they realize that it was here, at Central, that they were taught fair play, team work in getting along with their fellow men, discipline, perseverance, self-reliance, admiration for their superiors, and respect for competition. All of these things are contributions to the formation of their character and personality, which mean so much now and in later life.

These Graduates can never forget Central, even in a fast-changing world. They will always respect and honor it, not just as an institution of learning, but as the builder of their lives.

The Panorama Annual of 1943 so dedicates its theme, "School Life", to the students of the future, that they, too, may be as courageous in heart as those past "Centralites", who gallantly went forth to war in 1917-18 to defend world democracy, and those present 1943 fellows, who will soon fight to preserve and protect world peace.

Alma Mater

(By C. Mossman McLean)

I

Loyal sons and steadfast daughters,
Swell your throats with song.
Let your hearts throb out in music
Love that's deep and strong.

Chorus

Vic'tries be to B. C. H. S.
Guard her color blue,
And where e'er life's path may lead thee
To her name be true.

II

Reverence all her shining standards
Keep them from the dust;
Make them emblems of the righteous,
Noble, true and just.

Chorus

Vic'tries be to B. C. H. S.
Guard her color blue,
And where e'er life's path may lead thee
To her name be true.

Get your Pan? Sure, I wouldn't miss that for the world...and only five cents, too...Did you read the editorial?...Sure I'm going to use it for my English composition...How about the cartoon? ...Wasn't that darling?...Did you read the article on the Play?... Hey, no, where is it?...On page four, and Be Sure to look at the Dirt Column...Egad, is it wonderful!...Hey, I didn't know that the G. O. was going to have a dance next week, but it says so right here...And so the two Centralites chat about the Pan...The Panorama newspaper that is supervised by Mr. Hartman, and his editors ...Rod Serling and Bev Merchant were the editors last term; Bill Behan and Mary Treyz headed the paper this term...All in all, it has been a pretty swell year...the number of the copies even had to be increased, because the Pan had gained so much in popularity ...New columns like, "It Ain't Corn", have been added...every issue carried a new feature..and don't forget those pluggers who ran around selling ads so that the paper only cost five cents...

All of us are looking forward to the Pan next fall, and hope that you meet all of the deadlines!

GENERAL

ORDER PLEASE

General Organization has been very active this past year. During the fall term with Mike Foley as President and Voula Vassos and Olga Krch as Vice President and Secretary, and under the guidance of Mr. Hogan, semi weekly meetings were held for accomplishing necessary tasks as well as instituting many fine policies. The spring term, with Bill Behan as President, and Virginia Lyon and Virginia Molessa as Vice-President and Secretary, has shown General Organization attempting to better the standards of the school. Petitions were filed concerning the school ink and its quality, also concerning soap and hot water in the showers for after school athletics. The General Organization of the spring term also started plans for more school corridor dances which had in recent terms been discontinued. Every term the General Organization undertakes to better the conditions in Central and to keep them up to as high a standard as possible by watching not only the important matters but also the small often overlooked incidentals.

The initials of General Organization really spell the policy of that group. GO...In the last two terms, General Organization has really gone to town in its effort to perform not only the duties required of it but also to exercise a wholesome and helpful influence for all members of the student body.

Band

ON THE DOWNBEAT

What is that rumble of drums, that triumphant blare of trumpets, that sound of many marching feet? Don't be alarmed; it's not a conquering German Army entering to loot our fair city (and it never will be). It's only 48 members of Central's Band showing us the result of much time put in practice, the expert leadership of Leo Lynch, and the cooperation of all concerned. Or it might be the 45 well-trained members of the Orchestra filing in to take their places, ready for a concert.

The band was right in there pitching for every football game last year; in pep assemblies, formations and maneuvers during the half. This doesn't mean the extent of the Band's repertoire is "Plow down the field to the goalpost" and the like. Quite the contrary. The band has played in parades for service men and the dedication service of the Honor Roll for World War II. They participated in the Exchange Club program at the Kalurah Temple and in the Navy Day Parade. April 16th marked the date of "Red, White, and Blue Harmony" the successful joint program with the West Junior Band and Orchestra.

The Orchestra has put its talents to use in furnishing music for many of Mr. Titus' plays and by playing for Commencement, Baccalaureate Exercises, and other school functions.

Festival Chorus

COME LET US SING

"Sometimes I wonder why I spend a lonely night....." That's right! It's the lilting strains of "Stardust" coming from room 320. Mr. Walley and his "Stardust Choir" are at it again, tuning up for one of those Spring concerts. Do you remember the wierd effect produced by that Easter number "Listen to the Lambs"? If not, maybe you'll recall how your heart skipped a beat when you heard the choir's thrilling arrangement of "Ode to America." But May 14th was really a night to remember. Helen Tappan, LaVerne Whitman, George Rogers, Genevieve Adomaitis, Bob Deyo, Conrad Sterns, Ellis Tarches, Marceil Dorsey, and Ethel Mae Barker are some of the soloists who interpreted the glorious music of George Gershwin and Victor Herbert. The brilliant costuming and spectacular music must have made some impression on you. Another star attraction of the Spring Revue was the Girl's Trio. We'll be looking forward to hearing their harmonious voices next year. Yes, the Choir's reputation soared high in 1943 as they sang their way to glory.

Although the Choir seemed to take the limelight this year, Festival Chorus cannot be snubbed altogether. Last Fall they played a big part in the Combined Concert with North High. They showed their patriotic spirit in such songs as "Wings Over America" and "I Am An American". Everyone remarked about how splendidly the Chorus sang the French Christmas Carol. But wait! They're not through singing yet. Don't forget that near the end of June, Festival Chorus puts on a program of their own. Festival Chorus had an active program of music this year and they really enjoyed it.

Fife And Drum Corps

A CHEERY BEAT

Something new has been added! Now, this isn't the start of a lengthy advertisement, it's merely your introduction to a few of the accomplishments of the Girl's Fife and Drum Corps, newly organized last term and rapidly gaining in prestige ever since.

You'll remember their drills executed in pep assemblies and at football games and the formations made with the band at those same games. The Corps also played in the Navy Day Parade, in the selective service men's parades, in the Court House dedication service of the plaque for World War II veterans, and in the recent Bond Drive Parade. During the "Red, White, and Blue Harmony" presentation at West Junior April 16, the Fife and Drum Corps did the best drumming of its short career. It was really worth praise and guarantees a lengthy career of success.

There are 28 girls in this branch of our musician's union. We like to hear them play, and they do look nice in their uniforms!

Red Cross

FORWARD FOR SERVICE

What is the Red Cross doing at Central? That's a big question with a big answer. All the work this year has been centered around war activities.

-Central came out on top in the Roll Call drive this year with $126.

-The Red Cross delegates collected money for articles to be packed in kit bags for the service men.

-The soldiers at Camp Upton, N. Y. station hospital greatly acknowledged our school for answering their call for Christmas Cards to send.

-Twenty girls from Central, interested in Red Cross work, have volunteered for canteen service.

-Central Red Cross Council members presented a play entitled "Safety in the Home", written by Malcolm Waite, for the city-wide council.

All in all, the Red Cross Council is a very important delegation, which is doing everything in their effort for our country and our school!

Stage Crew

THE MAN BEHIND THE BLACKOUT

Just as the army needs its maintenance crew to furnish supplies and keep in the groove...so Central needs the stage crew to keep things jivin'! Although their work is behind the scenes and the players get the applause they are no less an essential element in the successful performances we have enjoyed this year.

Under the leadership of Jim Case, the Stage Crew has worked hard to produce Central's top plays, "Excursion" and "The Little Foxes". These plays could not have been produced successfully without the beautiful stage sets and efficient planning done by the Crew and Mr. Titus. Also, these ambitious boys are present at all of our assemblies, working hard to make them perfect as far as production is concerned.

All hail the unsung heroes behind the scenes...our efficient Stage Crew.

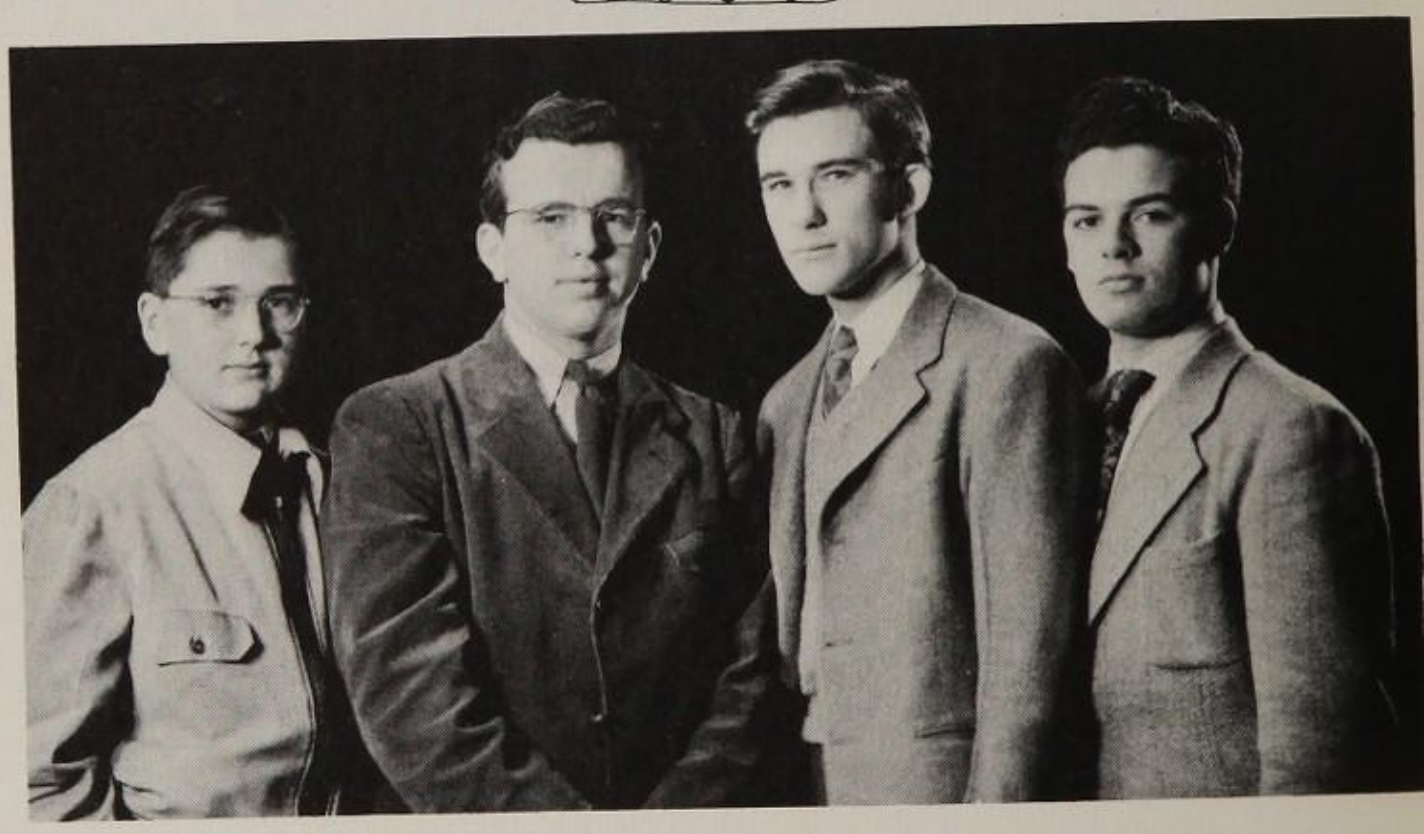
Dramatics Club

THE FIRST SPEAKER

To speak or not to speak (with apologies to Mr. Shakespeare). That was the question put before the B.C.H.S. students by the Lyon-Weeks Speaking Contest. Eight courageous centralites.. Ginny Lyon, Jackie Bolton, Minnette Unger, Mary Troy, Ruth Tanenhaus,Tom Behan, Ed Crawford, Malc Waite, Harold Wolfe, Henry Tompkins... volunteered to display their oratorical talents. The rest of us just relaxed, never giving it another thought until the day of the contest arrived. I wonder how many of us realize what the contestants were doing, meanwhile.

First, suitable selections had to be found. And, to find a suitable selection is harder than finding the proverbial needle in a haystack... And, that's not all... the fun is just starting, as, after they decide what to talk about, they have to memorize it. Then having learned what they're going to say they have to learn how to say it.

So, the next time the Lyon-Weeks Contest rolls around, and as we sink lazily into our assembly seats, let's just stop and think of what they are going through, and give them credit for what they've done...



THE JUDGES DECISION

Spring, ah me, 'tis here once more and with it comes each year... well, what does come with spring?...Crocuses, and spring fever?...Well yes, but that's not exactly what we mean. You see it's one of our spring assembly programs we're speaking of...It's under the joint supervision of Mr. Hartman and Mr. Titus...It's a contest, and this Year's winners were Hamlin, Titchener, Bennett, Caponi, Niel, and Artuso.. sure, now you've guessed it, that's right, the Annual Disinger-Church Speaking Contest.

ART FOR VICTORY

The past year has been a very busy one for Central's Arts and Crafts Club. An activity of the club is the making of posters for all large assembly programs. Their other activities during the last two terms have been wood carving, photo coloring, linoleum block printing, and making large drawings to decorate the soldiers' barracks and hospitals. An assembly program was produced during the spring term on "Art for Victory". Members of the club worked in collaboration with the stage crew and choir and drew, in full view of the audience, various posters portraying our duties in the war effort. The Arts and Crafts Club has done much to help produce our fine assemblies.

LET US CONSIDER

P-R-E-S-E-N-T-I-N-G Debate Club and advisor Mr. Lloyd Hartman.

Topic for the year - Resolved, that the United Nations should form a permanent Federal Union.

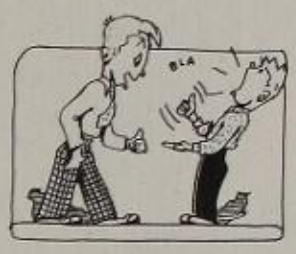
Main attractions: The inter-squad debate presented before the Binghamton Parent-Teachers Council.

At Johnson City High School another inter-squad debate before the student body.

Something new: a forum on the debate topic conducted by Suzanne Fischer and Gertrude Murphy before the gentlemen of the Rotary Club.

Big Event...Annual Civic Club Debate featuring North High vs. Central High. Judge Jefferson Meagher awarded prize to the North Team.

The forensic artists were Patricia Hamlin, Ruth Rider, Gertrude Murphy, Beatrice Lewis, Mary Jane Land, Suzanne Fischer, Beverly Merchant, Norman Paris, Ellis Tarches and Alan Levy.



OUR PROGRAM FOR TODAY

Formed of a group of junior and senior girls who are interested in reading and increasing their knowledge concerning the newest, popular novels as well as the famous classics...but all education and no play makes Mary a dull girl...and it is under the latter category that Lit Club proudly presents its assembly programs. Remember the murder?...and those sandwich sales, typically Lit Club... not too literary we admit, but a super way to make money to keep up our subscription to the "Book of the Month Club".. In our meetings every Thursday afternoon in 201, each girl answers roll call with a quotation of her choice...the rest of the meeting is devoted to planned programs...Lit Club has its own "borrowing library" from which the members can lease the current best sellers...We always have loads of fun, needless to say, especially at our picnic in June which annually rounds out the year's activities.

LE CERCLE FRANCAIS

Le but du Cercle Français est pour aider les étudiants de la langue français a mieux comprendre et mieux parler français. Ce but est achevé par des discussions et des programmes qui ont lieu chaque semaine. Par parler français toujours quand il assiste a une séance, l'étudiant peut profiter beaucoup de la langue. Les séances sont très intéressantes et on s'y amuse beaucoup. Quelquefois il ya un débat, quelquefois on chante, quelquefois on joue à Bingo. Toujours il y a quelque sorte de programme ou une discussion active au sujet de quelque chose que les membres aiment.

DER DEUTSCHE VEREIN

Die Mitglieder des Deutschen Vereins haben die Versammlungen dieses Jahr interessant, vorteilhaft und erfreulich gefunden. Die Versammlungen wurden alle vierzehn Tage gehalten und begannen mit der gewöhnlichen Geschäftsordnung. Dann folgte ein Programm auf Deutsch. Lieder wurden gesungen, Gesellschafts, spiele gespielt, ein Telephon gespräch gehalten oder ein Theaterstűckchen urirde aufgeführt. Wir feierten Weihnachten mit einem deutschen Weihnachts programm und Erfrischungen. Unser Lieblings programm war ein "Blondie" Theaterstűckchen mit einer anderen "Blondie" und einem anderen. DEPARTMENT

"LET'S KEEP GOING!"

Pass me a "Mound"...I want a Hershey...Hey, I get five cents change ...Thus the Girl Reserves spent their Saturdays selling those hard-to-get chocolate bars...And after the sales at the football games, they continued their salesmanship principles by taking orders for doughnuts...what fun they had at the Skating Party with Hi-Y...And the Sport Dance was simply the most outstanding activity of the year... Let's keep going seems to be the motto of the Girl Reserves.

"SEE YOU WEDNESDAY NIGHT"

In the good old summer time...90 degrees in the shade...let's take a swim in the "Y" pool...Somebody beat us to it. Why, it's the Hi-Y fellows...They're always all over the place...in the gym, the pool, and in the game room...They should be good at ping-pong and billiards...There goes their President, Rodger Schumacher to start the meeting...Meeting is held up while Mr. Heagy trims all comers at ping-pong...he does, and meeting begins. More fellows wish to donate blood to the blood-bank...Irwin Weissman's chair falls over...Coming games in the baseball league are planned...Minor confusion breaks loose as Paul Beall tells a joke...Reports are made (and interrupted by the late arrival of Bill Leet) on the state cabinet meeting which Mr. President attended...A general attack begins on Mr. Heagy in the hope that a higher "math" mark will be forthcoming...(it won't be)...Meeting ends as Jim "Deacon" Case decides he must go home and study something or other...Often after meeting, an open forum is held upon some topic of mutual interest ...These discussions, supposedly informative, usually leave everyone right where he started, but while it lasts, we all have a "bully" time.

His Day

Get up Sonny Boy
The morning is bright.
The birds are all singing,
To welcome the light.

It's 8:15
And he's running fast...
To get to school
Before half past.

Three steps at a time
And two flights to go,
For a date with Mr. Bocknak
And the home room floor show.

Now he's won the race
And tyeing his shoelace.
He looks across the aisle
And smiles a wicked smile.

45 minutes to do a week's work
And the old brain refuses to perk,
But to get out of this jam
He has to cram.

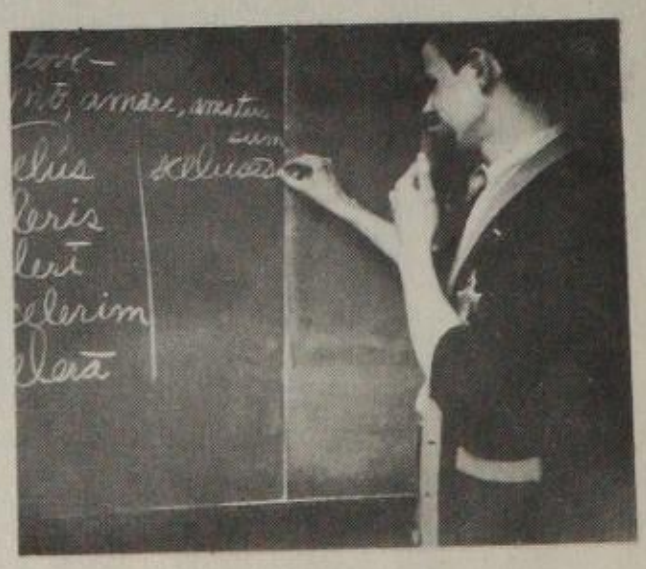
Smash, jam, crash, crunch,
Gang way, it's time for lunch.
"Excuse me girls for stepping on your feet,
But you know how it is, when you gotta eat."

Hamburgs at Dinty's,
With onions on the side,
The girls distance this P. M.
Surely will be wide!

An hour to spend
When he gets there,
To school or Dannys?
You know where.

Whatever he mixed up
He never will tell
But whatever it was,
It sure does smell!

A work-out, outside the gym
Is sure tough for him.
It makes him stiff and sore
But it's time well spent-
Prepares him for a tent,
And fits him for the war.



While studying his French
He dreamed of a trench
And he fought the war with much vim.
But when called to recite
He wasn't so bright
So it's 3:30-4 for him.

It's after 4-by Danny's door
And the girls go strutting by,
There he stands with time on his hands
Giving them all the eye.

Her Day

Flying coat tails
8:29
From breakfast to home room
Barely on time.

Made it by golly
Without a second to spare
Not even a minute,
To fix up the hair.

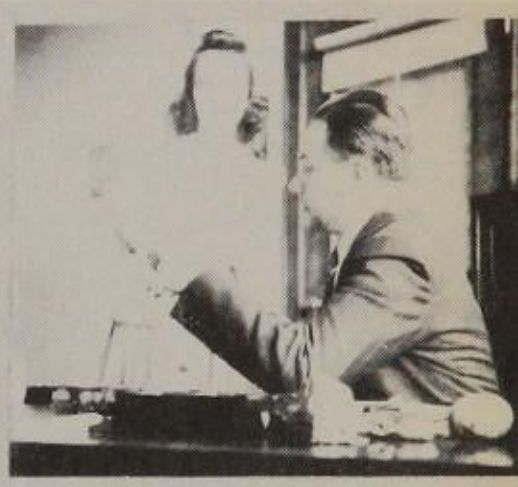
It's French she is readin'
Though the class is Latin.
(Last night, her homework
Was a guy from Manhattan.)

X for the problem
B. for the butter,
They are both alike,
Can't get one as the other.

No bargain sale,
Nor mining town boom
Can equal the crush
In the Locker Room.

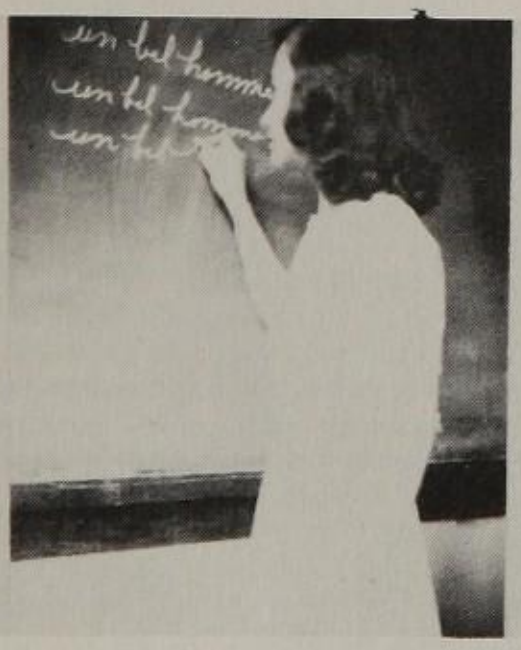
Ice cream and cake
And an hour to spend
At lunch time
With the best boyfriend.

Study hall with wisdom
to reap
But who can resist
A short beauty sleep?



Explaining a slip
To dear Mr. Schuster
From the look on his face,
It won't work as well as
it "uster".

She's not a hag,
Nor a crank,
Just a girl,
With expression blank!



Had to stay after school,
Because of a laugh,
But for this overtime,
There's no time and a half!

It's four o'clock
And time to hear,
The voice of someone,
Oh, so dear.

Ah Spring!

LITTLE FOXES

Dear Diary...Tonight I saw the Dramatics Club presentation of "The Little Foxes", and I hurried home to tell you all about it... "Take us the foxes, the little foxes that spoil the vines, for our vines have tender grapes"..."The Little Foxes" starred Central's own Tallulah Bankhead, Sue Fisher, who portrayed the mighty regina. Regina, together with her scheming brothers, Ben and Oscar (Peter Capani and Everett Rivenberg), made up the Little Foxes... Regina's winsome daughter, Alexandra (Gert Murphy), is sent by her mother to bring home her ailing father, Horace, (Malcolm Waite)... Ben and Oscar plan a marriage between Alexandra and Leo, (Ed Homan), Oscar's weak-minded son. However, the marriage is opposed by Oscar's wife, Birdie (Mary Troy)...Harold Wolfe did a fine job portraying a wealthy northerner, who had recently entered in a business deal with the three foxes...Nancy Callahan and Gordon Wickersham enacted the loveable old negro couple, Addie and Cal... There are just a few more things I want to tell you about "The Little Foxes", dear diary...The costumes used were from the original Broadway production of the "Little Foxes"...And, the set was one of the most difficult to build and one of the most attractive I have ever seen. The critics acclaimed it as being a truly, great production and honestly, dear diary...I thought so, too!

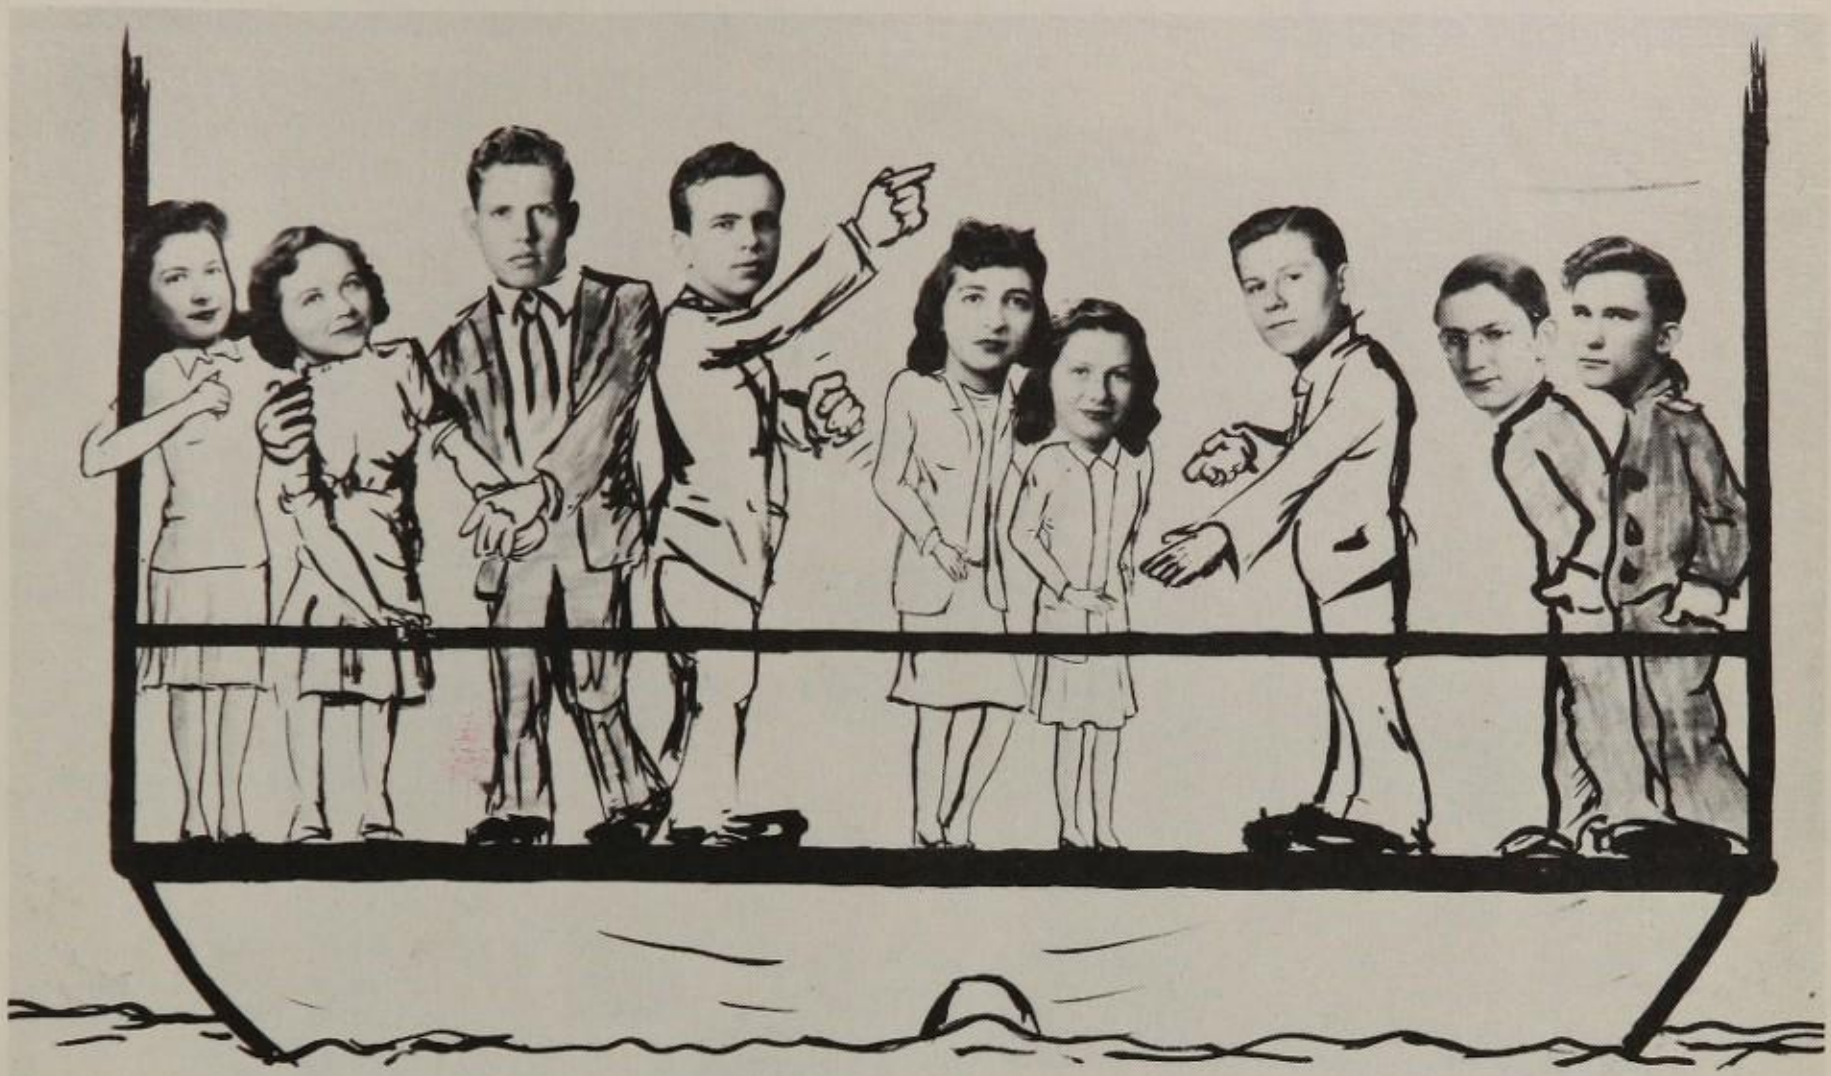
EXCURSION



All aboard, all aboard. Excursion leaving B. C. H. S. dock for Coney Island...remember? Of course you do.

Excursion, the three act, up-roaring comedy presented by the Dramatics Club, last fall. Just in case your memory is a bit rusty in some spots, suppose we just wander up the gangplank and see who and what we can see.

Well, our first acquaintance seems to be..."Michel, Mike, will you come and put up this chair for me." Ah, with that bit of Irish in her voice and the flaming red hair we can be pretty sure it's Nancy Callahan. And Mike, who is quick to answer, "Coming Mother" constitutes 1/2 of Behan, Behan, Inc. (Tom's better half will show up later) Just then Lollie Popps, (golden voiced, Helen Tappan) and Martha Gillencowitz (Sybil Hullman), who seems to be telling a disinterested Lollie about her latest love affair, stroll by. Lets see what just came aboard...Mamie and Red (Sue Fisher and Ed Crawford) look like a romantic twosome...Rod Serling and Miriam Kenor portraying a kindly old Jewish couple...Lee and Richard (Barbara Collins and Bob Neil) whose father owns the Steamship line...Joe Maxian, who seems to have his eye on Lollie, but she seems to have her eye on Richard...The crowd gathers and the plot thickens as Tessie, a crazy jitterbug (Bobbye Bennett) rushes on stage to report a missing lunch box..."Candy, peanuts, pennants," Oh here comes Tommy's better half now...(His brother Bill). And now a hush comes over the crowd as Abidia Rich (Malc Waite) and his brother Johnathan (Everet Rivenburg) emerge from their cabin, descend the stairs and report..."Clear night, good sailing, and a ship full of fun ahead"...and, boy, did we have fun!

Plow down the field to the goal post

The 11 Serenades in Blue, once again under the able tutelage of Coach Henry Merz, supplied the usual thrills and chills with a few extra frills as they swept through their seven game schedule, winning five contests and losing but two.

Central dropped its first game to Onondaga Valley, but then proceeded to bring back five straight victories before the fateful U. E. game. Falling down in the path of the onrushing Bulldogs were Ithaca High, Norwich, Johnson City, North High, Johnson City again, in that order.

Outstanding among the Saturday afternoon heroes were John Mikolasko, John Pandish, Allan Cave and Joe Taylor, all of whom made the Triple-Cities All-Star team. Incidentally, Steve Muska and Chuck Ketchoyian, who played steady games throughout the season received honorable mention for the same team.

Perhaps the most thrilling game of the year involved the Centralads and their cousins from the Northern section of town, the North High Indians. The wild and wooley clash with the Tomahawking tots, was nip and tuck all of the way, with the Bulldogs scoring the one and only touchdown of the day in the last five minutes, thus winning 6-0. John Pandish spent the afternoon opening up holes in Red line, but even with his ardent work touchdowns were scarcer than rubber tires and it took a long drive to get the ball into North territory. A beautiful pass, Taylor to Cave, brought the pigskin to the 'three' stripe and from there Allan plunged over for the score.

After they took over Johnson City twice, by virtue of great play by Cerretani, Cave, Ziac and Mikolasko, among others, the Bulldogs were all set to take over Union Endicott but once again the U. E. Tiger stole some of the spotlight from the U. S. Turkey on Thanksgiving day and put the Bulldogs in reverse to a tune of 19-0. However, a Bulldog has plenty of come-back power so remember next year!!!!!!'

The J. V. football team this year operated under a changed plan, having no set schedule, but merely scrimmaging and working along with the Varsity squad. However, several fellows, who began the season as J. V.'s because of their hard work, found that they ended the year on the Varsity list.

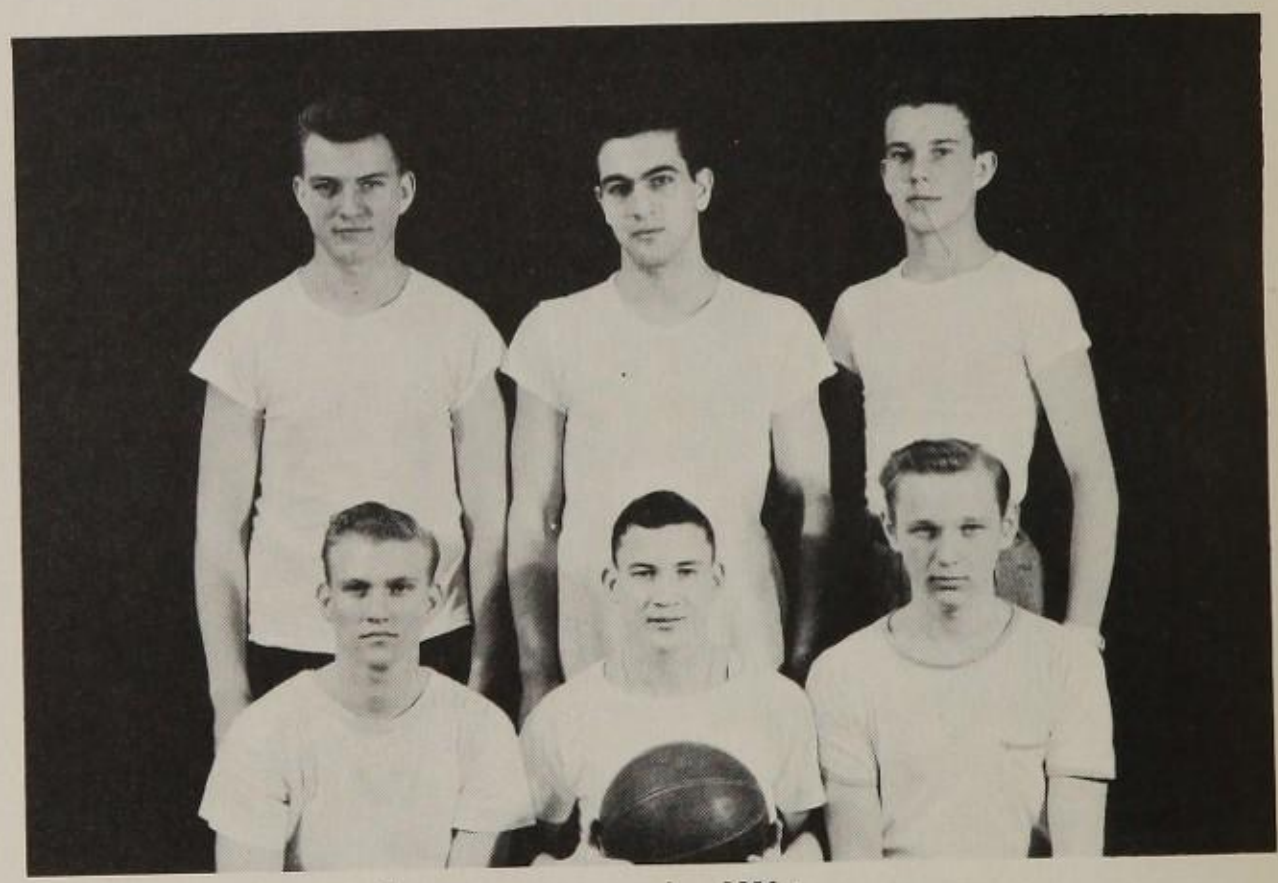
Coach Arthur Sharpsteen's basketball five came through as winners of the Triple Cities conference for the fifth straight year. The team was riddled by the loss of Joe Taylor, John Mikolasko and Bill Korba, all to the armed forces, but Bill Curry, Gino Regni, and John Taylor who were moved up from the J. V.'s capably filled the positions.

Central was quickly eliminated from the Little Falls tournament by a close 33-31 score. Chanecka, who was rated by an upstate coach as the 'best all around player he has seen in fourteen years', was again chosen as the "All tournament center".

Varsity

Intra-mural basketball had its place on Central's sports calender this year, when, under the direction of Coach Merz, a 13 team league was formed. Each team played five games and at the end of the season the 4 top teams participated in the play-offs. The "Dodgers" a team composed of Johnny Hayko, Bill Metrus, Charlie Ketchoyian, Joe Wychules, Joe Luchansky, John Atwater (coach), finally won.



Intramural Winners

Jayvees

Under Coach John Guley, the Junior Varsity basketball quintet played a 15 game schedule, winning and losing games.

The J. V.'s played in a league similar to the Varsity's organization, the Triple Cities conference. 12 games were scheduled with Triple Cities teams, while three 'outside' games were also listed. In these last three, the little Blue trounced Windsor twice and Oxford once.

THE GLORY OF DEMOCRACY

THE sacrifices that are needed in order to win the war are apparent to us all.

The Treasury's appeals to buy War Bonds, the Government's pleas to conserve gas and rubber, the economies required to avoid inflation, the necessity of rationing many essential commodities—all these have become vital in the minds of our people.

Necessity has awakened us, not only to the size of the task before us, but to the fact that our future as a nation is at stake; and in characteristic fashion we-*all* are responding.

Our hearts speak, our purses are open wide; and regardless of creed, or color, or political convictions, our honest differences of opinion are being dissipated before the issue that confronts us.

This is the glory of democracy: that a man may think as he will, speak as he will, vote as he will, and worship God in his own way; yet in the hour of peril to the State, that which is for the greatest good of all is not only his most compelling thought but the strongest prompting of his heart.

In that hour his thought is no longer of himself but of his country; and it is as though his soul were crying out those memorable words of Plato: "Man was not born for himself alone but for his country."

More than one year before Pearl Harbor, the workers and management of E. H. Titchener & Co. were busy in the development and manufacture of War Supplies. It was not long before our factory was in full War Production.

It has always been our policy to do our work well — to turn out the best products which human skill and ingenuity can devise Thus, when our Company was awarded the coveted Army-Navy "E" in October, 1942, everyone in the organization was filled with pride.

As this is being written, the workers and management of E. H. Titchener & Co. pledge their best efforts to still greater production–so our fighting forces (including many of our own employees) may have the things they need, **when** they need them.

Building a SAFE World
Depends on Little Things

Victory for America depends on a lot of little things. Because America is a Democracy, it depends on every man, woman and child to do his or her part. Everyone has a job . . . like buying War Bonds, keeping the family healthy because of scarcity of doctors and danger of losing hours of manpower in defense factories. Yes, Uncle Sam expects everyone to do everything possible to hasten victory.

The present offers unusual opportunities to patriotic and ambitious young people. You can aid business and government in the present emergency, and at the same time, lay foundation for future security. Business and government service are two of the most attractive career fields open to young people today.
We are starting on July 6th a short intensive six-months' course that will qualify you for a good position in either field. School hours during July and August are 8:15 A.M. to 1 P.M. This leaves afternoons free to work.

In concluding this yearbook of 1943, the PANORAMA ANNUAL staff extends its appreciation to those who helped make this book one of our best publications.

Therefore, to these individuals and organizations we give our hearty thanks and gratitude:

-To the Central students for their cooperation and outstanding support.

-To Mr. Grace, our advisor, for his guidance and patience in our frequent problems.

-To Miss Miller and her classes for typing the Graduate achievement slips.

-To the school secretaries for their willing assistance in securing school records and lists.

-To Mrs. Coffman and all the teachers for their cooperation during the subscription drive.

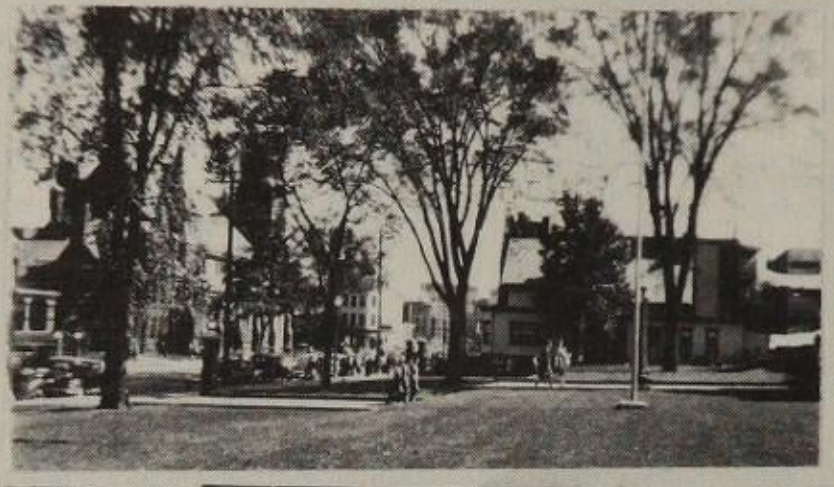
-To those students who participated in and helped produce our assembly program.

-To the clubs and organizations for their cooperation with the PAN ANNUAL Staff and Mr. Disinger.

-To William Prince and the cast of "The Eve of St. Mark" for their part in selecting the beauty contest winners.

-To our advertisers without whose assistance this publication would not be possible.

-And lastly, to Mr. Frank West and Mr. Foster Disinger for their splendid work as our printer and photographer.

Sincerely,


THE PANORAMA BOARD 1943
